

Self Marking Feedback

Which elements of Ollie's teaching do you think **most helped you to learn?** (Micro-revisions, pre-test, mid-unit check up, mid-unit feedback/suggestion forms, stories, DAVO!, worked solutions, 'I can' sheets, Study planning, learning about working memory/how the brain works).

I think that all of it worked

Why?

I all worked because it was helpful to see what we are good at and what ~~you~~ we need to work on.

micro revision, mid-unit check up, pre-test, study plan.

Why?

Its good to know where I am, how I'm going, what I need to work on.

micro-revision
Mid-unit test & feedback

Why?

- It means that you don't forget things between the lessons
- Useful to see what needs work for the next test

I found all of them extremely helpful but the mid-unit check up stood out the most.

Why?

Because it let me see exactly where I was at with my maths.
